

GOING DEEPER

ACTS Israel Tour 2018

DAY THIRTEEN: THE JOURNEY HOME

Today we are up very early and off to Ben Gurion airport for our travels onward, for most of us toward home.

We hope it has been an exciting and spiritually meaningful time for you.

Key Thought for Departure

The ministry of Jesus has continued for 2,000 years because believers in every age have had the courage and commitment to live faithfully as witnesses to His salvation. Draw courage from what you have seen and continue the great story.
